EMBL in the USA: Weekend Symposium

Join current and former EMBL life scientists and industry leaders for TED-style science talks and interactive panel discussions

Friday to Sunday, 3-5 November 2017
Beauport Hotel
Gloucester, Massachusetts

Registration and information: www.embl.org/alumni/usa2017
Contact Peter Papagiannis: alumni@embl.org

Speakers:
Ruben Abagyan
Professor, University of California, San Diego, La Jolla, CA

Detlev Arendt
Group Leader, Senior Scientist and Academic Mentor Postdoctoral Training, EMBL, Heidelberg, Germany

Manfred Auer
PI, Lawrence Berkeley National Laboratory, Berkeley, CA

Juergen Bauer
Deputy Managing Director, EMBLEM, Heidelberg, Germany

Dirk Bohmann
Professor, University of Rochester, Rochester, NY

Katja Brückner
Associate Professor, University of California, San Francisco, CA

Dominic Clark
Industry Programme Manager, EMBL-EBI, Hinxton, UK

Giulio Draetta
Professor, The University of Texas MD Anderson Cancer Center, Houston, TX

Kristin Gunsalus
Associate Professor, New York University, New York, NY

Andreas Hoenger
Associate Professor, University of Colorado, MCDB, Boulder, CO

Douglas Melton
Professor, Harvard University, Cambridge, MA

Joep Muijters
Partner, Life Science Partners, Waltham, MA

Karla Neugebauer
Professor, Molecular Biophysics & Biochemistry, Yale University, New Haven, CT

Arnd Pralle
Assistant Professor, State University New York, Buffalo, NY

Oscar Puig
Chief Scientific Officer, Phosphorus, New York, NY

Marina Ramirez-Alvarado
Professor, Mayo Clinic, Rochester, MN

Katharina Ribbeck
Group Leader, MIT Biological Engineering, Cambridge, MA

Sigrid Reinsch
Cell Biologist, NASA Ames Research Center, Moffett Field, CA

Nadia Rosenthal
Scientific Director, The Jackson Laboratory, Bar Harbor, ME

Jonathan Rothblatt
Director, Sanofi, Cambridge, MA

Peter Sorger
Otto Krayer Professor, Department of Systems Biology, Harvard Medical School, Cambridge, MA

Marc Vidal
Director, Center for Cancer Systems Biology (CCSB), Dana-Farber Cancer Institute, Boston, MA and Professor of Genetics, Harvard Medical School, Cambridge, MA

Eric Wieschaus
Professor, Princeton University, Princeton, NJ

The European Molecular Biology Laboratory (EMBL) is one of the highest ranked scientific research organisations in the world with 1600 employees from more than 80 countries, operating across six sites in Heidelberg, Hamburg, Grenoble, Hinxton (near Cambridge), Rome and Barcelona.
